

# BUILD A CITY: INSTRUCTIONS AND TEMPLATE

Create a pop-up city using our set of cut-out building templates, with four pages of printables below you can assemble as a base.

## INSTRUCTIONS:

1. Print out the four sections of the map on the following four pages.
2. Trim away the white edges.
3. Tape the four pages together to make a map. It should look like the image above.
4. Print and construct the House, Police Station, Store, and Building.\*
5. Tape each building on the map to its designated place.
6. Now do some research! Write down the street, name of town, and ZIP code for each building in your city.

\* See links on the product detail page.
